

PIØTR

Technical and Hospitality Rider

Technical rider:

- Linked Pioneer CDJ-3000 / CDJ-3000X preferred, alternatively CDJ-2000NXS2 or XDJ-1000MK2 (two or three, depending on set requirements; if you have different players, please get in touch with me).
- Pioneer DJM-A9 or DJM-V10 mixers preferred or Allen & Heath XOne:96; older ones like the DJM-900NXS2 or Allen & Heath XOne:92 are usually good too, depending on the set (please get in touch with me before)
- Fully calibrated, high-quality sound system (club standard)
- High-quality booth monitors with independent volume control (preferably two, but let me know if there is only one)
- All equipment should be clean, properly connected, and tested before the set.
- Stable DJ booth or table at comfortable playing height (no wobble), separate table for drinks away from the mixer
- Adequate lighting to see the mixer/CDJs, preferably over the DJ's head

Hospitality rider:

- 3-4 bottles (0.5L) of cold still water on stage
- 2-3 cans of sugar-free RedBull energy drink or similar
- Vodka/Jaeger shots
- 1 bottle of Prosecco/Asti or white wine (Moscato or Riesling)
- At least three guests on the guest list
- For gigs outside Warsaw, if not agreed otherwise:
 - Transport covered or reimbursed (tickets or other arranged travel)
 - Quiet room, at least a 3-star hotel, preferably close to the venue, for two (double bed) with breakfast and late checkout (2 pm or later)
 - Vegetarian or vegan meal before the set, no fast food

At the venue:

- Brief check-in with technician or stage manager, sound check before the club opening, especially on the venues I have never played before
- Safe place to keep personal items, backroom for artists to rest
- Clear communication about the set time, no last-minute changes

Promotion and marketing:

- Bio and photos from the press pack can be used for event promotion by the venue
- Mark me as a co-host of the event (on platforms that have this feature)
- I will participate in the event promotion – please provide guidelines, promo images, event posters, and a schedule of promo posts on social media platforms if available.
